

The Cornell Municipal Clerks Institute (CMCI) will be held July 19-23, 2009 at Cornell University in Ithaca, NY. CMCI is a premium educational opportunity provided by a partnership between the City and Village Clerks, the Town Clerks Association of the State of New York, New York State Association of Clerks of County Legislative Boards and Cornell University's Community and Rural Development Institute.

City, town, village clerks, clerks to County Legislatures, and deputy clerks, as well as other municipal officials who seek professional development are invited to attend. Participants gain new knowledge and skills, enhance the administration of their office, and contribute to the professionalism of their municipal governments.

A certificate of achievement will be awarded to participants who complete the Institute. Completion of three full years at the Institute earns Clerks the necessary points towards certification by the International Institute of Municipal Clerks*.

More information about the Cornell Municipal Clerks Institute can be found at www.cardi.cornell.edu.
