Join Us in Ithaca November 7-9!

The 2014 Finger Lakes Social Entrepreneurship Institute features:

- Practical tools for growing a social venture
- Hands-on workshops
- Compelling plenaries
- Inspiring and innovative social entrepreneurs
- Pitch sessions
- Compassionate Communication workshop
- Collective Impact Track
- Field trips showcasing local efforts

You will enjoy peer support from a diverse group of people passionate about social change and receive mentorship from experienced social entrepreneurs with unique, transformative models.

The Institute takes place at Cornell and in downtown Ithaca. Full and partial scholarships are available.

Complete schedule, scholarship information, and registration at www.centerfortransformativeaction.org

A program of the Center for Transformative Action, with support from Cornell’s Department of Development Sociology, the Dyson School of Applied Economics and Management, Engaged Learning + Research, Entrepreneurship at Cornell, the Iscol Family Program for Leadership Development in Public Service, the Park Foundation, and United Way of Tompkins County.
