

## CURRICULUM VITAE

### LORI LEONARD

Development Sociology  
Cornell University  
Warren Hall 250-C  
Ithaca, New York 14853  
Telephone: (443) 845-8415  
Email: [ll536@cornell.edu](mailto:ll536@cornell.edu)

#### EDUCATION AND TRAINING

Sc.D./1996, Harvard University, Health & Social Behavior and Population & International Health  
M.S./1992, Harvard University, Health & Social Behavior  
B.A./1985, St. Olaf College, English Literature and Psychology

#### PROFESSIONAL EXPERIENCE

International Professor and Associate Professor, 2014-, Cornell University, Development Sociology

Associate Professor, 2006 – 2013, Johns Hopkins School of Public Health, Department of Health, Behavior & Society

- Joint appointment in the Department of Anthropology
- Joint appointment in the Department of Sociology
- Director, Center for Qualitative Studies in Health & Medicine

Assistant Professor, 2000 - 2006, Johns Hopkins School of Public Health, Department of International Health

Assistant Professor, 1997 - 2000, University of Texas-Houston School of Public Health

Postdoctoral Fellow, 1996-1997, University of Texas-Houston Health Science Center

Social Scientist, 1995 – 1997, Harvard University and the University Cheikh Anta Diop

J. William Fulbright Fellow, 1993 – 1994, University of Chad and the Institut National des Sciences Humaines

Program Associate, 1989 – 1990, The Academy for Educational Development

US Peace Corps Volunteer, 1987–1988, The University of Chad, and the National Teachers' Training Institute

US Peace Corps Volunteer, 1985-1987, Institut Lunkobo, Pindi, Zaïre

**PROFESSIONAL ACTIVITIES*****Society Membership and Leadership***

African Society for Human Genetics

African Studies Association

Leadership Team, Health &amp; Medicine Coordinate Organization

American Anthropological Association

Association for Africanist Anthropology

Association for the Anthropology of Policy

Society for Medical Anthropology

American Sociological Association

Development Sociology

Society for Applied Anthropology

Society for Medical Anthropology

***Participation on Advisory Panels***

1998 - 1999 Centers for Disease Control and Prevention (CDC) STD Program Operations Guidelines Workgroup, Partner Services Subgroup. The workgroup developed comprehensive guidelines for the operation of STD programs in 65 program areas, including state, local, and territorial health departments.

2000 - 2001 Dallas STD/HIV Behavioral Intervention Training Center

2010 – 2013 Executive Committee, Johns Hopkins/National Human Genome Research Institute Genetic Counseling Program

***Consultations***

1998 Baylor College of Medicine, Qualitative Data Analysis, Houston, Texas

1999 Applied Research on Child Health (ARCH) Project, Harvard Institute for International Development (HIID), Training Workshop for Qualitative Data Analysis, Bamako, Mali

1999 - 2000 The Kickapoo Healing Grounds/SAMHSA, External Evaluator, Inhalant Abuse Treatment Program, Eagle Pass, Texas

1999 - 2001 Texas Southern University, HIV Transmission Among Minority Populations Project, Development of Focus Group and In-Depth Interview Protocols/Analysis of Data, Houston, Texas

2000 Save the Children and Groupe Pivot/Santé Population, Bamako, Mali. Technical assistance for a mid-term evaluation of their five-year USAID-funded Youth Integrated Health Project.

2001 The Civil-Military Alliance to Combat HIV and AIDS, Morgantown, West Virginia. External evaluation of Alliance activities to prevent HIV and AIDS in the uniformed services around the world from 1993 to the present.

2001 The Centers for Disease Control and Prevention, National Center for Infectious Disease, Arctic Investigations Program, Anchorage, Alaska. Training workshop on qualitative research.

- 2002-2003 Save the Children and Groupe Pivot/Santé Population, Bamako, Mali. Evaluation of community contraceptive distribution program.
- 2005 USAID/John Snow, Inc. (JSI). Evaluation of the USAID/West Bank and Gaza – supported and Maram Project–implemented Maternity Homes Project. Qualitative research design and data analysis.
- 2008 University of Florida-Gainesville. Consultation services on research grant proposal.
- 2009-2011 Mayo Clinic, Rochester, Minnesota. Consultation services on research grant proposal and research study.
- 2011 New York State Department of Health, AIDS Institute. Consultation on “Through a consumer’s lens: Examining consumer ideas and experiences of quality in New York State HIV health services programs.”
- 2012 Center for Communication Programs (CCP), the President’s Malaria Initiative (PMI) and NetWorks. “The culture of net use in Senegal.” Technical assistance and fieldwork for studies of net use in Senegal.
- Center for Communication Programs (CCP), the President’s Malaria Initiative (PMI), and NetWorks. “The culture of net use in Mali.” Technical assistance and fieldwork for studies of net use in Mali.

## EDITORIAL ACTIVITIES

### *Peer Review Activities*

AIDS Care  
 AIDS Patient Care and STDs  
 Africa Today  
 African Journal of Reproductive Health  
 American Anthropologist  
 Childhood  
 Demographic Research  
 Demography  
 Environmental Research  
 Ethos  
 Gender, Place and Culture: A Journal of Feminist Geography  
 Health Transition Review  
 International Journal of Epidemiology  
 International Journal of Tropical Diseases and Health  
 JAMA  
 Journal of Adolescent Health  
 Journal of Biosocial Science  
 Journal of Ethnic and Migration Studies  
 Journal of Health Care for the Poor and Underserved  
 Malaria Journal  
 Medical Anthropology

Population Studies  
 Preventing Chronic Disease  
 Public Health Genomics  
 Public Health Reports  
 Qualitative Inquiry  
 Qualitative Sociology  
 Signs  
 Social Problems  
 Social Science & Medicine  
 Social Science Quarterly  
 Sociology of Health and Illness  
 Studies in Comparative International Development

***Editorial Board Membership***

1996 - 2000     Assistant Editor, African Journal of Reproductive Health

***Proposal Review Committees***

2003 – 2005     Fulbright Senior Specialists Program, Discipline Peer Review Committee (Public/Global Health)

2007 - 2010     Study Section, Community Influences on Health Behavior (CIHB), National Institutes of Health (temporary member)

***Ad Hoc Review of Proposals***

1998             AIDS/HIV Education and Training Review Panel, Substance Abuse and Mental Health Services Administration (SAMHSA)

1999             Reviewer of abstracts for the National Student Research Forum

2001             Study Section, Social Science, Nursing, and Epidemiology Research (SNEM3), National Institutes of Health

2001             Center for International Health, Boston University School of Public Health, Applied Research in Child Health (ARCH) Project

2003             National Science Foundation, Cultural Anthropology Program

2004 - 2006     ASPH/CDC International Global AIDS Fellowship Program

2004             Global Development Network Research Competition

2005             PneumoADIP Small Grants Program Technical Expert Review

2005             Social Science Research Council, International Dissertation Field Research Fellowship Program (IDRF)

2006             Abstract Reviewer, XVI International AIDS Conference, Toronto, Canada

2008             National Science Foundation, Office of International Science and Engineering (OISE)

2009	National Science Foundation, Decision, Risk and Management Science Program
2010	NIH, RC4 Community Infrastructure Grants
2010	National Geographic Society
2011	National Cancer Institute, Special Emphasis Panel, Creating Interdisciplinary Research Teams in Basic Behavioral and Social Science Research (ZCA1 SRLB-B)
2011	NIH, Special Emphasis Panel, Center for Scientific Review
2012	Patient Centered Outcomes Research Institute (PCORI), panel on Addressing Health Disparities
2013	Patient Centered Outcomes Research Institute (PCORI), panel on Treatment Options for African Americans and Hispanics/Latinos with Uncontrolled Asthma
2014	Patient Centered Outcomes Research Institute (PCORI), panel on Assessment of Prevention, Diagnosis, and Treatment Options (August 11-12, 2014)

#### **HONORS AND AWARDS**

1992	Julian Mack Summer Research Grant Harvard University, School of Public Health
1993 – 1994	J. William Fulbright Fellowship
1993 – 1994	Frederick Sheldon Traveling Fellowship Harvard University
1995 – 1996	Population Council Fellowship
1995 – 1996	David E. Bell Fellowship (MacArthur Foundation) Harvard University, Center for Population and Development Studies
2001 – 2002	New Century Scholars Award, J. William Fulbright Foundation and the Council for the International Exchange of Scholars (CIES)
2003 – 2004	Faculty Innovation Award, Johns Hopkins School of Public Health
2007	Advising, Mentoring, and Teaching Award (AMTRA), Johns Hopkins School of Public Health
2008	Margaret Bright Award for Excellence in Teaching, Johns Hopkins School of Public Health, Department of Health, Behavior & Society
2009	Canada Research Chair (Tier 1), McGill University (declined)
2010 – 2011	Fellow, Woodrow Wilson International Center for Scholars (WWICS)

## PUBLICATIONS

### *Book Manuscripts*

*Life in the time of oil: A pipeline and poverty in Chad* (forthcoming in March 2016 from Indiana University Press)

### *Peer-Reviewed Journal Articles*

1. **Leonard, L.**, Diop, S., Doumbia, S., Sadou, A., Mihigo, J., Koenker, H., Berthe, S., Monroe, A., Bertram, K., and Weber, R. (2014). Net use, care and repair practicing following a universal distribution campaign in Mali. *Malaria Journal*, 13, 435.
2. Arrington-Sanders, R., Ellen, J., Thorpe, R.J., and **Leonard, L.** (2014). What makes a teen get tested? A case from an urban based sample of adolescents. *Journal of AIDS and Clinical Research*, 5, 336. doi:10.4172/2155-6113.1000336
3. Arrington-Sanders, R., **Leonard, L.**, Brooks, D., Celentano, D., and Ellen, J.M. (2013). Older partner selection in young African American men who have sex with men. *Journal of Adolescent Health*. 10.1016/j.jadohealth.2012.12.011
4. **Leonard, L.** (2011). Working 'off the record': Polio eradication and state immunity in Chad. *Critical Public Health*, 21(3), 257-271.
5. Gilliam, P., Ellen, J.M., **Leonard, L.**, Kinsman, S., Jevitt, C.M., Straub, D.M. (2011). Transition of adolescents with HIV to adult care: Characteristics and current practices of the Adolescent Trials Network for HIV/AIDS Interventions. *Journal of the Association of Nurses in AIDS Care*, 22(4), 283-294.
6. **Leonard, L.**, Berndtson, K., Matson, P., Philbin, M., Arrington-Sanders, R., and Ellen, J.M. (2010). How physicians test: Clinical practice guidelines and HIV screening practices with adolescent patients. *AIDS Education and Prevention*, 22(6), 539-546. [PMCID: PMC3105471].
7. **Leonard, L.** (2010). Negotiating doctoral dissertation publications: A reply. *Qualitative Health Research*, 20(5), 723-726.
8. Dietz, E., Clum, G.A., Chung, S., **Leonard, L.**, Murphy, D.A., Harper, G.W., and Ellen, J.M. (2010). Adherence to scheduled appointments among HIV-infected female youth in five U.S. cities. *Journal of Adolescent Health*, 46, 278-283.
9. **Leonard, L.** (2009). Experiments with 'modernism': The allure and the dangers of genital surgeries in southern Chad. *Medische Antropologie*, 21(1), 93-106.
10. Easterling, D., Fothergill, K., Foy, C.G., **Leonard, L.**, and Holtgrave, D.R. (2009). Assessing social capital in Kansas: Findings from quantitative and qualitative studies. *The Journal of Kansas Civic Leadership Development*, 1, 23-35.
11. Das, V., Ellen, J.M., and **Leonard, L.** (2008). On the modalities of the domestic. *Home Cultures*, 5(3), 349-372.

12. Tsui, E., **Leonard, L.**, Lenoir, C., and Ellen, J.M. (2008). Poverty and sexual concurrency: A case study of STI risk. *Journal of Healthcare for the Poor and Underserved*, 19(3), 758-777.
13. **Leonard, L.** and Ellen, J.M. (2008). "The story of my life": AIDS and 'autobiographical occasions.' *Qualitative Sociology*, 31(1), 37-56. [PMCID: PMC2834208].
14. Scott, A., Ellen, J., Clum, G., & **Leonard, L.** (2007). HIV and housing assistance in four U.S. cities: Variations in local experience. *AIDS and Behavior*, 11, S140-S148.
15. **Leonard, L.**, Greene, J.L., and Erbeding, E. (2007). Persons, places, and times: The meanings of repetition in an STD clinic. *Medical Anthropology Quarterly*, 21, 154-168.
16. Grovogui, S.N. and **Leonard, L.** (2007). Oiling tyranny?: Neoliberalism and global governance in Chad. *Studies in Political Economy*, 79, 35-59.
17. **Leonard, L.** (2005). Where there is no state: Household strategies for the management of illness in Chad. *Social Science and Medicine*, 61, 229-243.
18. Ross, M., Chatterjee, N., and **Leonard, L.** (2004). A community-level syphilis prevention program: Outcome data from a controlled trial. *Sexually Transmitted Infections*, 80, 100-104.
19. Meyers, T., **Leonard, L.**, and Ellen, J. (2004). The clinic and elsewhere: Illness, sexuality, and social experience among young African-American men in Baltimore, Maryland. *Culture, Medicine, and Psychiatry*, 28, 67-86.
20. **Leonard, L.** (2003). Possible illnesses: Assessing the health impacts of the Chad Pipeline Project. *Bulletin of the World Health Organization*, 81, 427-433.
21. Peterson, K.M., Singleton, R.J., and **Leonard, L.** (2003). A qualitative study of the importance and etiology of chronic respiratory disease in Alaska Native children. *Alaska Medicine*, 45, 14-20.
22. **Leonard, L.** (2002). "Looking for children": The search for fertility among the Sara of southern Chad. *Medical Anthropology*, 21, 79-112.
23. Reynolds, S., Kapadia, A., **Leonard, L.**, and Ross, M. (2001). Examining the direct costs and effectiveness of syphilis by selective screening and partner notification. *Journal of Public Health Medicine*, 23, 339-345.
24. **Leonard, L.** and VanLandingham, M. (2001) Adhering to the CDC's travel health recommendations: The experience of Nigerian immigrants in Houston, Texas. *Journal of Immigrant Health*, 3, 31-45.
25. Chatterjee, N., and **Leonard, L.** (2001). Partners in Health: A new frontline for disease prevention and health promotion in the community. *American Journal of Health Education*, 32, 52-55.
26. Baseman, J., **Leonard, L.**, Ross, M., and Hwang, L.Y. (2001). Acceptance of syphilis screening among residents of high STD risk Houston communities. *International Journal of STD and AIDS*, 12, 744-749.
27. **Leonard, L.** (2000). Interpreting female genital cutting: Moving beyond the impasse. *Annual Review of Sex Research*, 11, 158-190.

28. Sangi-Haghpeykar, H., Frank, M.L., **Leonard, L.**, and Poindexter, A.N. (2000). A qualitative study of perceptions, attitudes, and experiences of long-term Levonorgestrel implant users. *Women and Health*, 30, 93-108.
29. **Leonard, L.** (2000). "We did it for pleasure only": Hearing alternative tales of female circumcision. *Qualitative Inquiry*, 6, 212-228.
30. **Leonard, L.**, Ndiaye, I., Kapadia, A., Eisen, G., Diop, O., Mboup, S., and Kanki, P. (2000). HIV prevention among male clients of female sex workers in Kaolack, Senegal: Results of a peer education program. *AIDS Education and Prevention*, 12, 21-37.
31. Ross, M.W., Hwang, L.Y., **Leonard, L.**, Teng, M., and Duncan, L. (1999). Sexual behavior, STDs and drug use in a crack house population. *International Journal of STD & AIDS*, 10, 224-230.
32. Chatterjee, N., **Leonard, L.**, and Ross, M. (1999). The role of private physicians in STD control in an inner-city community in the southern United States. *Journal of Public Health Management and Practice*, 5, 34-39.
33. **Leonard, L.**, Chatterjee, N., and Ross, M. (1999). Preventing syphilis: Lessons from a survey of two inner-city communities in Houston, Texas. *Journal of Health Care for the Poor and Underserved*, 10, 362-375.
34. **Leonard, L.** and Ross, M.W. (1997). The last sexual encounter: The contextualization of sexual risk behavior. *International Journal of STD & AIDS*, 8, 643-645.
35. Maruti, S., Hwang, L.Y., Ross, M.W., **Leonard, L.**, Paffel, J., and Hollins, L. (1997). The epidemiology of early syphilis in Houston, Texas, 1994-1995. *Sexually Transmitted Diseases*, 24, 475-480.
36. **Leonard, L.** (1996). Female circumcision in southern Chad: Origins, meaning, and current practice. *Social Science and Medicine*, 43, 255-263.
37. **Leonard, L.** (1996). Cigarette smoking and perceptions about smoking and health in Chad. *East African Medical Journal*, 73, 509-512.
38. Rudberg, M.A., Parzen, M.I., **Leonard, L.**, and Cassel, C. (1996). Functional limitation pathways and transitions in community-dwelling older persons. *The Gerontologist*, 36, 430-440.

- 1997 - 1998 PH1498 Introduction to Qualitative Research Methods (4.0 credits), Spring semester, 13 students
- 1998 - 1999 PH1498 Introduction to Qualitative Research Methods (4.0 credits), Fall semester, 11 students
- 1999 - 2000 PH1118 Introduction to Qualitative Research Methods (4.0 credits), Fall semester, 16 students
- Action-Oriented Public Health: Learning in the Third Ward (4.0 credits) Spring semester, 15 students

Johns Hopkins School of Public Health

- 2000 - 2001 Qualitative Research Methods (6.0 credits), 3<sup>rd</sup> term, Co-Instructor, 38 students
- 2001 - 2002 Qualitative Research I (6.0 credits), 3<sup>rd</sup> term, Co-Instructor, 43 students
- Qualitative Research II (6.0 credits), 4<sup>th</sup> term, Primary Instructor, 28 students
- 2002 - 2003 Qualitative Research I (6.0 credits), 3<sup>rd</sup> term, Primary Instructor, 52 students
- Qualitative Research II (6.0 credits), 4<sup>th</sup> term, Co-Instructor, 47 students
- 2003 - 2004 Qualitative Research II (6.0 credits), 4<sup>th</sup> term, Primary Instructor, 46 students
- 2004 - 2005 Qualitative Research I (6.0 credits), 3<sup>rd</sup> term, Primary Instructor, 47 students
- 2004 - 2005 Qualitative Research II (6.0 credits), 4<sup>th</sup> term, Primary Instructor, 44 students
- 2005 - 2006 Qualitative Research I (6.0 credits), 3<sup>rd</sup> term, Primary Instructor, 54 students
- 2005 - 2006 Qualitative Research II (6.0 credits), 4<sup>th</sup> term, Primary Instructor, 42 students
- 2006 - 2007 Ethnographic Fieldwork (4.0 credits), 3<sup>rd</sup> term, Primary Instructor, 38 students
- 2007 - 2008 Ethnographic Fieldwork (4.0 credits), 3<sup>rd</sup> term, Primary Instructor, 41 students
- 2007 - 2008 Critical Global Health Studies Seminar (non-credit bearing), 4<sup>th</sup> term
- 2008 - 2009 Ethnographic Fieldwork (4.0 credits), 3<sup>rd</sup> term, Primary Instructor, 41 students
- 2008 - 2009 Critical Global Health Studies Seminar, 3<sup>rd</sup> and 4<sup>th</sup> terms
- 2009 - 2010 Critical Global Health Studies Seminar, 3<sup>rd</sup> and 4<sup>th</sup> terms
- 2011 - 2012 Doctoral Seminar (12 credits), 1-4<sup>th</sup> terms, all first year doctoral students in HBS
- 2012 - 2013 Doctoral Seminar (6 credits), 3<sup>rd</sup> and 4<sup>th</sup> terms, all first year doctoral students in HBS
- 2013 Introduction to Qualitative Research, Summer Institute

Cornell University

- 2014 Gender and Development (DSOC 3230), Fall semester, 23 students
- 2015 Qualitative Research Methods (DSOC 6150), Spring semester, 12 students
- Gender and Global Change (DSOC 3230), Fall semester
- Global Garbage (DSOC 2030), Fall semester

**RESEARCH GRANT PARTICIPATION**

- 2015 "Governing Extraction Workshop," Africana Studies and Research Center, \$3,000  
Co-PI with Siba Grovogui

- 2014-2015 “Governing Extraction Workshop,” Polson Institute for Global Development, \$4,500  
Co-PI with Siba Grovogui
- 2012 – 2013 “Evaluation of No Kid Hungry Maryland’s School Breakfast Expansion Efforts,” Share Our Strength, \$80,000/1 year.  
Principal Investigator
- 2012 – 2013 “Polio immunization in Chad: An intensive study of an immunization campaign and best immunization practices,” World Health Organization, \$58,125/1 year.  
Principal Investigator
- 2011 – 2014 “The problem with male sexual/reproductive health: A qualitative and quantitative study in Uganda,” National Institute for Child Health and Development (NICHD).  
Co-Investigator (PI: Maria Wawer)
- 2010 – 2012 “Risk Assessment in the Genomic Era: A Qualitative Study of Patients and Providers,” National Heart, Lung, and Blood Institute (NHLBI), \$107,375/12 months  
Principal Investigator
- 2010 – 2011 “Experiments in Development: The Social Life of Policy after a ‘Model’ Pipeline Project in Chad,” Woodrow Wilson International Center for Scholars (WWICS), \$74,322/9 months.  
Fellow
- 2008 – 2009 “Sustainable Smallholder Farming: A Demonstration Project in the Oilfield Region of Chad,” Center for a Livable Future, \$20,000/1year.  
Principal Investigator
- 2007 – 2011 “Routine HIV Testing Among Adolescents and the Shifting Culture of AIDS,” NIH/NINR, \$451,000/2 years.  
Principal Investigator
- 2007 – 2011 “Global Responsibility and the Rule of Law: The Chad Model,” National Science Foundation (NSF), Law and Social Science Program, \$200,000/2 years.  
Co-Principal Investigator (with Siba Grovogui)
- 2007 - 2008 “How to Test: Policy and Practice after the CDC Recommendations.” The Foundation for AIDS Research (amfAR), \$120,000/1 year.  
Principal Investigator
- 2007 - 2008 “From Acute to Chronic Infections?: A Pilot Study of Chronic Illness in Chad.” Hopkins Population Center, \$10,000/1 year.  
Principal Investigator
- 2007 “Social Capital in Kansas,” Kansas Health Institute (KHI), \$96,407/6 months.  
Co-Investigator (PI: Kate Fothergill)
- 2006 – 2007 “Food Fights: Migration, the State and Competition for Land in Southern Chad,” Hopkins Population Center, \$15,000/18 months.  
Principal Investigator

- 2005 – 2011 “Pathways to Health: Adaptation and Change in the Context of an Oil and Pipeline Project in Chad,” National Science Foundation (NSF), Human and Social Dynamics Program, \$600,000/3 years.  
Principal Investigator
- 2003 – 2006 “The Chad Pipeline Project: Local Ecologies and Health,” National Institutes of Health/Fogarty International Center (Health, Environment, and Economic Development (HEED) Program), \$330,000/2 years.  
Principal Investigator
- 2003 - 2004 “Household Regimes of Production and Consumption, Access to Cash, and Health in the Context of the Chad-Cameroon Petroleum Development and Pipeline Project,” Faculty Innovation Fund Award, Johns Hopkins School of Public Health, \$40,430/1 year.  
Principal Investigator
- 2003 – 2004 “A Pilot Project to Inform the Development of a New Type of HIV Prevention Program for High-Risk Adolescents,” Center for Adolescent Health, Johns Hopkins School of Public Health, Faculty Research Awards. \$30,000/1 year.  
Principal Investigator (with Jonathan Ellen)
- 2002 - 2003 “Therapeutic Regimens for Malaria in Chad: Household and Health Systems Responses in the Context of Globalization,” World Health Organization, Special Programme for Research and Training in Tropical Diseases, (PI: Gilbert Maoundonodji, Groupe de Recherches Alternatives et de Monitoring du Projet Petrole/Tchad-Cameroun). \$25,000/1 year.  
Sponsor
- 2001-2007 “Drug Use and HIV Infected Female Adolescents’ Care Use,” NIDA, (PI: Jonathan Ellen), \$4,476,900/4 years.  
Co-Investigator, Director of Ethnographic Study (PI: Jonathan Ellen)
- 2001-2003 “The Chad-Cameroon Pipeline Project: A Test for Globalization and Public Health,” CIES and the J. William Fulbright Foundation, \$40,000/1 year.  
Principal Investigator
- 2001-2002 “The Sustainability of Health in Families under Stress: A Longitudinal, Comparative Study,” The Center for a Livable Future, \$24,000/1 year.  
Co-Principal Investigator (with Veena Das and Ranendra Kumar Das)
- 2001-2003 “Development of Brief, Individualized Interventions for STD Clients with Repeat Infections,” Centers for Disease Control and Prevention, \$100,000/1 year.  
Co-Investigator (PI: Emily Erbe)
- 2001-2005 “Pneumococcal Disease Prevention in Alaska Native Adults.” NIH, (PI: Rosalyn Singleton), \$21,815/1 year; and “Pneumococcal Disease Prevention in White Mountain Apache Families,” NIH, \$165,266/4 years.  
Co-Investigator (PI: Kate O’Brien)
- 1999 - 2000 “Substance Abuse HIV/AIDS Prevention: African American Youth.” SAMHSA-CSAP, \$768,296/3 years.

Co-Investigator (PI: Marianne Marcus)

- 1999 - 2000 “Protecting the High-Risk Traveler: Ensuring that International Travelers at High Risk of Acquiring Infectious Diseases Adhere to CDC Traveler’s Health Recommendations.” Centers for Disease Control and Prevention (CDC), \$24,255/1 year.
