

Allison M. Chatrchyan, Ph.D.

Director, Cornell Institute for Climate Change and Agriculture
103-105 Rice Hall
Cornell University, Ithaca, NY 14853
Tel: 607-254-8808, Fax 607-255-3891
Email: amc256@cornell.edu

EDUCATION

University of Maryland, College Park, MD

Ph.D., Government and Politics – August 2003

Fields: Comparative Politics, International Environmental Politics. Dissertation: *Democratic Transition, Stagnation, and its Environmental Consequences: Water and Forestry Policy in Post-Soviet Armenia.*

University of Maryland, College Park, MD

M.A., Government and Politics - May 1999

Fields: Comparative Politics, International Environmental Politics.

Colby College, Waterville, ME

B.A., Government, Minor in Environmental Studies - May 1992

Graduated with Honors and Distinction; honors thesis on environmental degradation in Eastern Europe.

PROFESSIONAL EXPERIENCE

Cornell University, Ithaca, NY

Director, Cornell Institute for Climate Change and Agriculture, September 2013 – present

Sr. Research Associate in the departments of Development Sociology and Earth and Atmospheric Sciences. Research focus on assessing climate change policies, institutions and stakeholder engagement mechanisms, and co-developing resources and tools with researchers, extension specialists and stakeholder groups for sustainable agriculture and climate change adaptation and mitigation. Provide leadership and direction for the Institute, including facilitating interdisciplinary research projects, securing and managing funds, overseeing climate change communications, outreach and policy updates, and supervising staff and students.

Cornell University Cooperative Extension (CCE), Millbrook, NY

Climate Change Lead, CCE Statewide Energy and Climate Change Team, May 2010-August 2013

Worked on statewide team to develop a climate change extension program for New York. Co-Chair of the Cornell Climate Change Program Work Team (PWT), which developed a series of climate change fact sheets, webinars, posters, presentations, videos, and re-designed the climatechange.cornell.edu website.

Cornell University Cooperative Extension Dutchess County, Millbrook, NY

Issue Leader, October 2006-August 2013

Directed the Environment and Energy Program, providing research-based information, tools, and training to municipal officials and the public on environmental and agricultural planning issues. Built strategic partnerships with Cornell University, the Cary Institute of Ecosystem Studies, Vassar College, and Dutchess County to complete several large projects, including development of dutchesswatersheds.org, stakeholder assessments with the Wappinger Creek Watershed Council, Dutchess County State of the Environment Report, and Dutchess County Natural Resource Inventory. Supervised staff and university student interns, and managed budgeting, fund development, and evaluation and reporting.

Bard College, Center for Environmental Policy, Annandale-on-Hudson, NY

Post-Doctoral Fellow, June 2003-June 2005

Taught graduate courses in environmental policy and politics in an environmental policy master's degree program. Responsible for research and curriculum development, leading seminars, advising graduate

students, assisting the director of the program, and organizing an intensive orientation seminar, visiting facilities and agencies. Worked on NYSERDA EMEP contract to develop scientific research case studies.

University of Maryland, Department of Government and Politics, College Park, MD

Harrison Fellow, Teaching Assistant, and Graduate Assistant, January 1998 – 2003

Ph.D. Candidate (2001-2003), with funding awarded from the Institute for the Study of World Politics. Harrison Fellow (2000-2001), with funding awarded from the Harrison Program on the Future Global Agenda. Graduate Assistant & Program Coordinator (1999-2000) for the Harrison Program on the Future Global Agenda. Teaching Assistant (1999) for comparative environmental politics course with Dr. Schreurs. ECO graduate summer intern at the US Environmental Protection Agency (1998). Research Assistant (1998-1999) on a NASA grant to UMD dealing with the policy issues surrounding commercial remote sensing.

United Nations Environment Programme, (UNEP), Paris, France

Associate Programme Officer, July 1996 - December 1997

Successfully managed projects funded by the Global Environment Facility (GEF) to assist ten Countries with Economies in Transition (CEITs) with ozone layer protection, climate change, and implementation of the Montreal Protocol. Conducted research on obstacles to ratification and implementation of the Protocol. Responsible for project implementation, monitoring and evaluation, managing UNEP consultants, and reporting results. Represented UNEP at international meetings and UN conferences, and worked with country focal points and bilateral agencies on a routine basis. Organized and facilitated high-level workshops for CEITs in Latvia and Uzbekistan.

The Law Companies, Inc., Environmental Policy Center (EPC), Washington, DC

Project Manager, January 1993 - June 1996. Executive Director of ICOLP, 1995 - 1996

Managed projects for clients including the International Cooperative for Ozone Layer Protection (ICOLP), the Business Roundtable, and the Coalition on Superfund. Directed non-profit organization and public private partnership of 12 multinational corporations, and 22 government and NGO partners. Represented ICOLP in Washington, DC, attended Congressional hearings, researched and wrote technical reports and policy updates, organized national and international workshops, secured World Bank and EPA grants, managed projects and grants, and supervised support staff.

FUNDING & GRANTS

Current Grants & Sponsored Research Projects

Chatrchyan, A. S. Allred, and M. Hoffmann. 2015-2016. Building Capacity for Climate Smart Farming Decisions in the Northeast. USDA Agricultural Research Service (ARS), Pennsylvania State University, Cooperative Agreement (Principal Investigator). \$60,000.

Chatrchyan, A., M. Hoffmann, and A. DeGaetano. 2015-2016. Capacity for CICC Climate Smart Farming Project. The New World Foundation (Principal Investigator). \$200,000.

Chatrchyan, A. S. Allred, and M. Hoffmann. 2014-2015. Assessing and Building Capacity for Climate Smart Farming Decisions in the Northeast. USDA Agricultural Research Service (ARS), Pennsylvania State University, Cooperative Agreement (Principal Investigator). \$50,000.

Chatrchyan, A. and M. Hoffmann. 2014-2015. Building the Capacity of the Cornell Institute for Climate Change and Agriculture to work with the agricultural community. The New World Foundation (Principal Investigator). \$100,000.

Chatrchyan, A., et. al, 2014-2017. Extending the Reach of Climate Change Education and Decision Tools to New York's Farmers and Communities (Smith-Lever). (Principal Investigator). \$60,000.

Chatrchyan, A. and M. Hoffmann. 2013-2023. Cornell Institute for Climate Change and Agriculture (CICCA). Special Directors Project (Hatch Federal Formula Funds). Co-Principal Investigator). \$135,000, per year.

Completed Grants & Sponsored Research Projects

Chatrchyan, A. S. Allred, and M. Hoffmann. 2015-2016. Building Capacity for Climate Smart Farming Decisions in the Northeast. USDA Agricultural Research Service (ARS), Pennsylvania State University, Cooperative Agreement (Principal Investigator). \$60,000.

Smith, S., S. Hoskins, A. Chatrchyan, A. Degaetano, D. Kay, G. Loch, N. Curri, R. Kambo, R. Howe, S. Anderson. 2012-2015. Building an Online GIS Mapping Presence to Support Extension Priorities through PWTs. Cornell University Agricultural Experiment Station (Smith-Lever). (Collaborator). \$78,000.

Wolfe, D., A. Degaetano, R. Schneider, A. Chatrchyan, S. Broussard Allred, L. Chambliss, B. Lewenstein, S. Riha. 2011-2014. Developing and Implementing a New York State Climate Change Extension Program. Cornell University Agricultural Experiment Station (Smith-Lever). (Collaborator). \$90,000.

Broussard Allred, S., C. Klocker, and A. Chatrchyan. 2011-2014. Building the Capacity for Watershed Management in New York: Developing and Implementing the NY Master Watershed Steward Program. Cornell University Agricultural Experiment Station (Smith-Lever). (Co-PI). \$96,936.

Broussard Allred, S. and A. Chatrchyan. 2011-2013. Characterization of Attitudes among Hudson River Estuary Watershed Municipal Officials about Climate Change Adaptation Cornell Water Resources Institute, Hudson River Estuary Program. (Co-PI). \$31,000.

Chatrchyan, A. 2010-2013. CCE Statewide Energy and Climate Change Team – through CCE Administration (Smith-Lever). \$58,000 (Climate Change Lead).

Chatrchyan, A. and A. Hambartsumyan. 2010-2011. Developing Climate Change Mitigation and Adaptation Curriculum for Armenian and Georgian Higher Education Institutions. CRDF International. (Principal Investigator). \$15,000.

Broussard Allred, S., Schneider, R., and R. Stedman. 2010-2011. The New York State “Master Watershed Steward” Program: Building Capacity for Watershed Organizations in New York. Water Resources Institute. (Collaborator, on subcontract). \$20,000.

Chatrchyan A. and C. Klocker. No Child Left Inside. 2008-2013. NYS DEC Hudson River Estuary Program. (Co-PI). \$54,000.

Chatrchyan A. and C. Klocker. Building the Capacity of the Wappinger Creek Watershed Intermunicipal Council. 2007-2012. NYS DEC Hudson River Estuary Program. (Co-PI). \$60,000.

Chatrchyan A. and C. Klocker. Advancing Water Quality Goals. 2005-2011. NYS DEC Hudson River Estuary Program. (Co-PI). \$60,000.

Chatrchyan, A. and C. Klocker. Wappinger Creek Watershed Council Goals. 2005-2011. NYS DEC Hudson River Estuary Program. (Co-PI). \$60,000.

TEACHING

- Cornell University, Climate Change University Seminar: Co-developed and helped facilitate university seminar series on interdisciplinary topics related to climate change, with Cornell student (BEE 2000), community and national remote participation via Webex (spring 2016).
- Cornell University Cooperative Extension Dutchess County: Issue Leader. Developed and taught regular adult education programs on environmental, agriculture, and energy-related issues. Advised undergraduate interns (2006-2013).
- Bard College Center for Environmental Policy: Post-Doctoral Fellow. Political Foundations of Environmental Policy (US and International) Taught year-long class to 45 MS students in the BCEP Graduate Program. Significantly revised the curriculum. Advised M.S. students, and participated in M.S. thesis review committees (2003-2005).
- University of Maryland, Department of Government & Politics: Teaching Assistant, Comparative Environmental Politics (1999).

CONFERENCE PRESENTATIONS AND TRAINING

Symposia and Conference Presentations

- Chatrchyan, A. and M. Hoffmann. 2016. Impacts, Opportunities & Adaptations: Climate Smart Farming in the Northeast. *PASA 25th Annual Farming for the Future Conference*, State College, PA. February 5.
- Chatrchyan, A., J. Lehmann, Y. Martin-Prével, and C. Nyandiga. 2015. Climate Change, Agroecology, Nutrition, and Food Security: Critical lessons from Project Interventions in Sub-Saharan Africa. *Africa Pavilion Side Event at COP 21*, Paris-Le Bourget, France, December 3.
- Chatrchyan, A. 2015. Addressing Controversial Issues in Extension Teaching: Climate Smart Programs for the Northeastern United States. *Dairy Environmental Systems and Climate Adaptation Conference*. Ithaca, New York. July 29-31.
- Chatrchyan, A., M. Hoffmann, D. Tobin, N. Chaopricha, J. Chan, R. Radhakrishna, and S. Allred. 2015. Farmer-Driven Climate Smart Decision-Making for the Northeastern United States. *Climate Smart Agriculture 2015 Scientific Conference*. Montpellier, France. March 16-18. Chair of Panel on "Overcoming Barriers: Policies and Institutional arrangements to support CSA."
- Chatrchyan, A., S. Allred, and M. Mullen. 2012. Local Climate Change Challenges and Opportunities: Understanding Municipal Official Perspectives (Poster Session). *Fourth International Conference on Climate Change*, University of Washington, Seattle, USA, July 12.
- Chatrchyan, A., S. Broussard-Allred, and R. Schneider. 2010. Resilience in the Face of Climate Change: Empowering Natural Resource Managers and Professionals through Extension Education. *7th Natural Resource Extension Professionals Conference*, University of Alaska, Fairbanks, AK, June 27-30.
- Chatrchyan, A. 2009. Local Politics of Climate Change. Delivered at the *50th Annual International Studies Association (ISA) Convention*, New York, NY, February.
- Chatrchyan, A. 2008. The Politics and Unintended Consequences of US Biofuel Policy. Delivered at the *49th Annual International Studies Association (ISA) Convention*, San Francisco, CA, March.
- Chatrchyan, A. 2007. State and Regional Efforts to Address a Global Environmental Issue: Climate Change Policies in California, New York, and the Northeast (with Pamela Doughman). Delivered at the *48th Annual International Studies Association (ISA) Convention* in Chicago, IL. Chair of Panel: Comparing Environmental Governance in Developing and Transitional Countries: Political Will, State and Non-State Capacity, or Design? March 2007.
- Chatrchyan, A. 2006. It's Capacity, Stupid...or Is It? Political Will or Capacity to Protect the Environment in Post-Soviet Transitional Countries. Delivered at the *47th Annual International Studies Association (ISA) Convention*, San Diego, March. Chair of Panel: Comparing Environmental Governance in Developing and Transitional Countries: Political Will, State and Non-State Capacity, or Design?
- Wooden, A., and A. Chatrchyan. 2005. Linking Rule of Law and Environmental Political Reform in Armenia & Georgia. Delivered at the *46th Annual International Studies Association (ISA) Convention*, Hawaii, March.
- Chatrchyan, A. 2004. Democratic Transition, Stagnation and its Environmental Consequences: Protection of Lake Sevan and Forestry Resources in Post-Communist Armenia. Delivered at the *45th Annual International Studies Association (ISA) Convention*, Montreal, Canada, March.
- Chatrchyan, A. 2003. Democratic Stagnation and its Environmental Consequences: Forestry Policy and Deforestation in Post-Communist Armenia. Delivered at the *44th Annual International Studies Association (ISA) Convention*, Portland, OR, February. Awarded Best Graduate Student Paper, Environmental Studies Section.

Chatrchyan, A. 2001. Democratic Consolidation and the Environment: Ten Years of Change in Post Communist Countries. Delivered at the 42nd Annual *International Studies Association (ISA) Convention*, Chicago, IL, February.

Morrill, A. 2000. The Iron Triangle of Energy, Environment and Development: A Case Study of the Caucasus. Delivered at the *41st Annual ISA Convention*, Los Angeles, CA, March.

Morrill, A. 1999. Democratic Consolidation and Environmental Capacity. Delivered at the *Annual APSA NE Conference*, Philadelphia, PA, November.

Morrill, A. 1999. Capacity for Implementation of International Environmental Agreements. Delivered at the *40th Annual ISA Convention*, Washington, DC, February.

Extension Outreach and Training Presentations

Chatrchyan, A. and panel of experts. 2016. Policy + Activism: A Conversation on Climate Change and Clean Energy. Cornell University Kyoto Now organized panel, Ithaca, NY. February 26.

Chatrchyan, A. 2016. Climate Smart Farming: New Practices and Tools to Prepare for Climate Variability and Extreme Weather. *2016 Empire State Producers Expo*, Syracuse, NY. January 21.

Chatrchyan, A. 2016. Helping Farmers Respond to Climate Change. *Cornell CALS Panel at the NYS Ag Society Forum*, Syracuse, NY. January 6.

Chatrchyan, A. 2014. Climate Change Impacts on Farms in the Northeast: Adaptation, Mitigation, Policy and Stakeholder Engagement Options. *The Stone Barns, Young Farmers Conference*, Pocantico Hills, NY, December 3.

Chatrchyan, A. 2014. Climate Change and Agriculture in the Northeast: Impacts & Opportunities. *Tompkins County League of Women Voters*. Ithaca, NY, November 17.

Chatrchyan, A. 2014. Farming in a more Extreme and Variable Climate. *Empire Farm Days*, Seneca Falls, NY, August 5.

Chatrchyan, A. 2014. Climate Change and the Future of Food in the Northeast. *Teaching the Hudson Valley Workshop*. Hyde Park, NY, July 29.

Chatrchyan, A. 2014. Farmer Views of Climate Change and Changing Practices. *Nuffield Scholars Panel*, Ithaca, NY, July 8.

Chatrchyan, A. Addressing Climate Change in the Northeast. *NYS Conservation District Association Training*, Binghamton, NY, March 11, 2014.

Chatrchyan, A. 2014. Addressing Climate Change and Agricultural Challenges & Opportunities in the Northeast *Maine Earth Smart Workshop*, Lewiston, ME, February 24.

Chatrchyan, A. 2014. Addressing the Challenges & Opportunities of Climate Change and Agriculture in New York. *Northern NY Crops Congress*, Chazy and Canton, NY, February 18-19.

Hoffmann, M. and A. Chatrchyan. 2013. Addressing the Challenge of Climate Change in the Northeast. *NYS Association of Conservation Districts Annual Conference*. Oneonta, NY, October 16.

Chatrchyan, A., R. Moore and N. Rudgers. 2013. Bioenergy Policy and Law: Why Policy Matters. *Cornell Bioenergy & Bioproducts Education Program, Teacher Training*, Millbrook, NY, July 17.

- Chatrchyan A. 2013. Climate Change 101. *CCE Energy and Climate Change Regional Training*, Millbrook and Ballston Spa, NY, April 24 and May 14.
- Chatrchyan, A. Addressing Climate Change in the Northeast. *The Native Plant Center 2013 Spring Landscape Conference*, Valhalla, NY, March 18.

- Morrill, A. 1996. Ratifying and Implementing the Montreal Protocol. Delivered at the *High-Level Regional UNEP Workshop for Countries with Economies in Transition* in Riga, Latvia, November.
- Morrill, A. 1996. Lessons Learned in the US Phaseout of Ozone Depleting Solvents from the Electronics Industry. Delivered at *ICOLP/USEPA Technology Cooperation Workshop on Ozone Layer Protection*, St. Petersburg, Russia, April.
- Morrill, A. 1995. Phasing out the Use of Ozone Depleting Solvents. Delivered at *ICOLP/USEPA Technology Cooperation Workshop on Halon and Solvents Phaseout*, Moscow, Russia, June.
- Morrill, A. 1995. Phasing out the Use of Ozone Depleting Solvents from the Electronics Industry. Delivered at *ICOLP/World Bank Technology Cooperation Workshop on Ozone Layer Protection*, Sao Paulo, Brazil, May.

UNDERGRADUATE, GRADUATE AND POST-GRADUATE SUPERVISION AND ADVISING

Academic Year 2015-2016:

- CICCA and DNR Post-Doctoral Fellowship – Joana Chan, Cornell University
- CICCA Undergraduate Research Assistant – Amanda Vargo, Cornell University
- CICCA Undergraduate Research Assistant – Rachel Erlebacher, Cornell University

Summer 2014:

- Cornell Cooperative Extension Summer Internship Program – Rachel Erlebacher, Cornell University
- Cornell Cooperative Extension Summer Internship Program – Jakob Sackett, Cornell University

Fall 2013 to Spring 2014:

- CICCA Undergraduate Research Assistant – Richard Smith, Cornell University
- CICCA Undergraduate Research Assistant – Amanda Vargo, Cornell University

Summer 2013:

- Cornell Cooperative Extension Summer Internship Program – Pawan Angara, Cornell University
- Cornell Cooperative Extension Summer Internship Program – Richard Smith, Cornell University

Summer 2012:

- Cornell Cooperative Extension Summer Internship Program - Meredith Frenchmeyer, Cornell University
- CCEDC Environment & Energy Program Internship - Camille Marcotte, SUNY ESF

Summer 2011:

- Cornell Cooperative Extension Summer Internship Program - Elizabeth Keller, Cornell University
- CCEDC Environment & Energy Program Internship - Andrew Lo, SUNY Stony Brook

Spring/Summer 2010:

- Cornell Cooperative Extension Summer Internship Program - Christopher Smith, Cornell University
- CCEDC Environment & Energy Program GIS Internship - Celine Teo Ying Zhen, Vassar College

Spring/Summer 2009:

- Cornell Cooperative Extension Summer Internship Program - Margaret Kurth, Cornell University
- CCEDC Environment & Energy Program Internship - Patrick Carroll, SUNY ESF
- CCEDC Environment & Energy Program GIS Internship - Justin Thaler, Vassar College

Spring/Summer 2008:

- Cornell Cooperative Extension Summer Internship Program - Jase Bernhardt, Cornell University
- CCEDC Environment & Energy Program Internship - Margaret Kurth, Cornell University
- CCEDC Environment & Energy Program GIS Internship - Craig Fargione, Marist College
- CCEDC Environment & Energy Program Internship - Allison Salvatore, Wells College

Fall & Spring Semesters, 2003-2005:

- Bard College Center for Environmental Policy - advising MS student thesis projects.

ACADEMIC SERVICE & SERVICE TO COMMUNITY

- Cornell University, Climate Change Action University Committee: Member (January 2016-present)
- Cornell University, Climate Change Program Work Team (PWT): Co-Chair (2010 to present); Water Resources PWT: Co-Chair (2008-2010); member 2010-present; Community and Energy PWT: member 2010-present
- Cornell University Cooperative Extension, Statewide Energy & Climate Change Team (2010-2013)
- NYSDEC Hudson Valley Climate Change Network: Member (2006-2013)
- International Studies Association: Elected to serve on the Sprout Committee to choose the best new book in environmental politics (2007-2009); member of association
- Poughkeepsie Farm Project: Board of Directors (2005-2007)
- St. Paul's United Methodist Church, Ithaca, NY: Communion Steward and volunteer youth teacher (2013-present); United Methodist Church, Hyde Park, NY: Missions Committee (2006), Crop Walk Committee (2010/2011), Junior Church Leader (2006-2013).

AWARDS & FELLOWSHIPS

- Bard College, Center for Environmental Policy, *Post-Doctoral Fellow, June 2003-June 2005*.
- International Studies Association, Environmental Studies Section - Awarded the *Best Graduate Student Paper Award* for the paper "Democratic Transition, Stagnation and its Environmental Consequences: Protection of Lake Sevan and Forestry Resources in Armenia" (2004).
- Institute for the Study of World Politics, Washington, DC - Doctoral Dissertation Fellowship for support of dissertation travel and research (2001-2002).
- Harrison Program on the Future Global Agenda, UMD, College Park, MD - Harrison Program Fellowship for support of dissertation research (2000-2001).
- National Academy of Science (NAS), Washington, DC - Young Investigators Program on Energy in Armenia. Traveled to Armenia for in-depth study of energy, environment, and development issues in Armenia, with a small group of American and Armenian researchers. Worked with the Ministry of Nature Protection of Armenia (summer 1999).
- Colby College, Waterville, ME - Graduated with Honors and Distinction in the Major of Government (1992).

PROFESSIONAL DEVELOPMENT

- Cornell University - CALs Faculty Leadership and Professional Development Program, June 2014
